

Author Index

Volume 117 (2002)

- Abbott, Sharon L.: see Feldman
 Anderson, Barbara: see Dyjack
 Arispe, Irma: see Smith
 Asch, Steven M., Marjorie G. Sa'adah, Rajni Lopez, Alicia Kokkinis, Gary A. Richwald, and David C. Rhew: Comparing quality of care for sexually transmitted diseases in specialized and general clinics, 157-63 (Research Article)
 Bachman, Jerald G.: see Wallace
 Baquet, Claudia: see Carter-Pokras
 Barfield, Wanda D., Julia C. Rhodes, Melvin A. Kohn, Katrina Hedberg, and Kenneth C. Schoendorf: Releasing pre-adoption birth records: the impact of Oregon's experience on its vital records department, 472-8 (Research Article)
 Barfield, Wanda D.: see Rhodes
 Baron, Sherry: see Estill
 Barry, M. Anita: see McKenna
 Bates, Ruthann: see Katz
 Bauer, Ursula E.: see Macaluso
 Beaulieu, Joyce and F. Douglas Scutchfield: Assessment of validity of the National Public Health Performance Standards: the local public health performance assessment instrument, 28-36 (Practice Article)
 Beauvais, Frederick and E. R. Otting: Variances in the etiology of drug use among ethnic groups of adolescents, Suppl 1:58-14
 Belgrave, Faye Z.: Relational theory and cultural enhancement interventions for African American adolescent girls, Suppl 1:576-81
 Bero, Lisa A.: see Montini
 Birkhead, Guthrie S.: see Kahn
 Bone, Lee R.: see DeFrancesco
 Bowie, Janice V.: see DeFrancesco
 Brooks, Robert G.: see Macaluso
 Brown, Phil and Richard Clapp: Looking back on Love Canal, 95-8 (Viewpoint)
 Brown, Phil: see Mayer
 Buka, Stephen L.: Disparities in health status and substance use: ethnicity and socioeconomic factors, Suppl 1:5118-25
 Buka, Stephen L.: see Reardon
 Burke, Adam and Erik Poper: Cumulative trauma disorder risk for children using computer products: results of a pilot investigation with a student convenience sample, 350-7 (Research Article)
 Burnett, Carol A.: see Hahn
 Cadden, Cynthia G.: see Katz
 Carlton, Bill and Kenneth J. Simon: Integrating effective prevention into public health practice, 2-7 (Viewpoint)
 Carothers, Cathy: see Khoury
 Carter-Pokras, Olivia, Claudia Baquet, and Jeffrey Pearcy: What is a "health disparity"? 426-34 (Viewpoint)
 Chaudhari, Monika: see Macaluso
 Clapp, Richard: see Brown
 Cleary, Paul D.: see McKinney
 Cooper, Shauna M.: see Wallace
 Cordova, Isabel M.: see Driver
 Cozen, Myrna: see Morin
 Cross, Lanny T.: see Kahn
 Cummings, Susan: see Gohdes
 Dato, Virginia M., Margaret A. Potter, Carl I. Fertman, and Christine L. Pistella: A capacity mapping approach to public health training resources, 20-7 (Practice Article)
 Davis, Mary V.: see Orton
 Deeb, Larry C.: see Macaluso
 DeFrancesco, Susan, Janice V. Bowie, Shannon Frattaroli, Lee R. Bone, Polly Walker, and Mark R. Farfel: The Community Research, Education, and Practice Consortium: building institutional capacity for community-based public health, 414-18
 Delpizzo, Vincent: see Neutra
 Diaz, Rafael M.: see Marin
 Dietrich, Kim N.: see Stroop
 Dotter, Earl: Winter harvest of danger: fishing on board a Maine trawler in the storm-tossed North Atlantic, 324-30 (Feature Article)
 Driver, Cynthia R., Isabel M. Cordova, and Sonal S. Munsiff: Targeting tuberculosis testing: the yield of source case investigations for young children with reactive tuberculin skin tests, 366-72 (Research Article)
 Dutcher, Gale A.: see Katz
 Dyjack, David T., Samuel Soret, and Barbara Anderson: Community-based environmental risk assessment, 309-12
 Eidson, Margaret: see Macaluso
 Estill, Cheryl Fairfield, Sherry Baron, and Andrea L. Steege: Research and dissemination needs for ergonomics in agriculture, 440-5 (Practice Article)
 Estrada, Antonio L.: Epidemiology of HIV/AIDS, hepatitis B, hepatitis C, and tuberculosis among minority injection drug users, Suppl 1:5126-34
 Ethier, Kathleen A., Jeannette R. Ickovics, Isabel M. Fernandez, Tracey E. Wilson, Rachel A. Royce, and Linda J. Koenig for the Perinatal Guidelines Evaluation Project Group: The Perinatal Guidelines Evaluation Project HIV and pregnancy study: overview and cohort description, 137-47 (Research Article)
 Evans-Campbell, Teresa: see Walters
 Evenson, Kelly R., Barbara A. Laraia, Verna L. Lamar Welch, and April L. Perry: Statewide prevalences of concern about enough food, 1996-1999, 358-65 (Research Article)
 Fain, Terry: see Iguchi
 Farfel, Mark R.: see DeFrancesco
 Feldman, Katherine A., Janet C. Mohle-Boetani, Judy Ward, Karen Furst, Sharon L. Abbott, Dennis V. Ferrero, Alfred Olsen, and S. Benson Werner: A cluster of *Escherichia coli* O157: nonmotile infections associated with recreational exposure to lake water, 380-5 (Research Article)
 Fernandez, Isabel M.: see Ethier
 Ferrero, Dennis V.: see Feldman
 Fertman, Carl I.: see Dato
 Fielding, Jonathan E.: see Kominski
 Floris-Moore, Michelle: see Schoenbaum
 Foretich, Camille: see Khoury
 Forge, Nell Griffith: see Iguchi
 Francis, Henry L.: see Jones (two listings)
 Frattaroli, Shannon: see DeFrancesco
 Frumkin, Howard: Urban sprawl and public health, 201-17 (Viewpoint)
 Furst, Karen: see Feldman
 Galea, Sandro and David Vlahov: Social determinants and the health of drug users: socioeconomic status, homelessness, and incarceration, Suppl 1:5135-45
 Garte, Seymour: The racial genetics paradox in biomedical research and public health, 421-5 (Viewpoint)
 Gaughan-Bailey, Bonnie: see Macaluso
 Gay, George A.: see Hahn
 Gee, David: see Stirling
 Gentleman, Jane F.: see Schenker
 Gershon, Robyn R. M.: see Sinclair
 Giangiacomo, Mark: see Stroop
 Gil, Andres G., William A. Vega, and R. Jay Turner: Early and mid-adolescence risk factors for later substance abuse by African Americans and European Americans, Suppl 1:515-29
 Gohdes, Dorothy, Todd S. Harwell, Susan Cummings, Kelly R. Moore, Jane G. Smilie, and Steven D. Helgeson: Smoking cessation and prevention: an urgent public health priority for American Indians in the Northern Plains, 281-90 (Research Article)
 Gohdes, Dorothy: see Harwell
 Goldberg, Ronald B.: see Macaluso
 Griffin, Patricia M.: see Sobel
 Gunn, Julia E.: see McKenna
 Hahn, Robert A., Scott F. Wetterhall, George A. Gay, Dorothy S. Harshbarger, Carol A. Burnett, Roy Gibson Parrish, and Richard J. Orend: The recording of demographic information on death certificates: a national survey of funeral directors, 37-43 (Research Article)
 Hang, Kaying: see Lifson
 Hansen, Dina: see Harwell
 Harshbarger, Dorothy S.: see Hahn
 Harwell, Todd S., Dina Hansen, Kelly R. Moore, Duane Jeanotte, Dorothy Gohdes, and Steven D. Helgeson: Accuracy of race coding on American Indian death certificates, Montana 1996-1998, 44-9 (Research Article)
 Harwell, Todd S.: see Gohdes
 Heckscher, Rachel A.: see Laws
 Hedberg, Katrina: see Barfield; Rhodes
 Helgeson, Steven D.: see Gohdes; Harwell
 Hellerstedt, Wendy L.: see Johnson
 Herring, Patti: see Holzhauser
 Hickman, Laura: see Iguchi
 Hing, Esther: see Schenker
 Hinton, Agnes: see Khoury
 Ho, Alex: see Kominski
 Holzhauser, Elizabeth, Patti Herring, and Susanne Montgomery: Integrating academia with community-based health practices: the San Bernardino County Community-Based Pediatric Vision Outreach System, 197-200
 Houlihan, Jane: see Thornton
 Hunt, Allen N.: see Stroop
 Ickovics, Jeannette R.: see Ethier
 Iguchi, Martin Y., Jennifer A. London, Nell Griffith Forge, Laura Hickman, Terry Fain, and Kara Riehman: Elements of well-being affected by criminalizing the drug user, Suppl 1:5146-50
 Jeanotte, Duane: see Harwell
 Johnson, Pamela Jo, Wendy L. Hellerstedt,

- and Phyllis L. Pirie: Abuse history and nonoptimal prenatal weight gain, 148-56 (Research Article)
- Johnston, Lloyd D.:** see Wallace
- Jones, Dionne J., Arnold R. Mills, and Henry L. Francis:** Introduction, Suppl 1:S3-7
- Jones, Dionne J., Arnold R. Mills, and Henry L. Francis:** Preface, Suppl 1:S1-2
- Jumper-Thurman, Pamela:** see Vernon
- Kahn, James G., Xiulan Zhang, Lanny T. Cross, Herminia Palacio, Guthrie S. Birkhead, and Stephen F. Morin:** Access to and use of HIV antiretroviral therapy: variation by race/ethnicity in two public insurance programs in the U.S., 252-62 (Research Article)
- Kahn, James G.:** see Morin; Palacio; Richards
- Kates, Jennifer:** see McKinney
- Katz, Deborah G., Gale A. Dutcher, Theresa A. Toigo, Ruthann Bates, Freda Temple, and Cynthia G. Cadden:** The AIDS Clinical Trials Information Service (ACTIS): a decade of providing clinical trials information, 123-30 (Practice Article)
- Keane, Christopher, John Marx, and Edmund Ricci:** The privatization of environmental health services: a national survey of practices and perspectives in local health departments, 62-8 (Research Article)
- Keppel, Kenneth G.:** see Percy
- Khoury, Amal J., Agnes Hinton, Amal K. Mitra, Cathy Carothers, and Camille Foretich:** Improving breastfeeding knowledge, attitudes, and practices of WIC clinic staff, 453-62 (Research Article)
- King, Bryan H.:** see Lewis M.
- Klingbe, Renee Storm:** see Price
- Koenig, Linda J.:** see Ethier
- Kohn, Melvin A.:** see Barfield; Rhodes
- Kokkinis, Alicia:** see Asch
- Kominski, Gerald F., Paul A. Simon, Alex Ho, Jeffrey Luck, Yee-Wei Lim, and Jonathan E. Fielding:** Assessing the burden of disease and injury in Los Angeles County using disability-adjusted life years, 185-91 (Research Article)
- Kurland, Judith:** The heart of the precautionary principle in democracy, 498-500 (Viewpoint)
- Laraia, Barbara A.:** see Evenson
- Laws, M. Barton and Rachel A. Heckscher:** Racial and ethnic identification practices in public health data systems in New England, 50-61 (Research Article)
- Leake, Barbara:** see Lewis, M.
- Lee, Ti-Kuang:** see Shih
- Lewis, Charles E.:** see Lewis, M.
- Lewis, Mary Ann, Charles E. Lewis, Barbara Leake, Bryan H. King, and Robert Lindemann:** The quality of health care for adults with developmental disabilities, 174-84 (Research Article)
- Lifson, Alan R., Dzung Thai, Ann O'Fallon, Wendy A. Mills, and Kaying Hang:** Prevalence of tuberculosis, hepatitis B virus, and intestinal parasitic infections among refugees to Minnesota, 69-77 (Research Article)
- Lim, Yee-Wei:** see Kominski
- Lindemann, Robert:** see Lewis, M.
- Linder, Meadow:** see Mayer
- Lo, Yungtao:** see Schoenbaum
- Lollar, Donald J.:** Public health and disability: emerging opportunities, 131-6 (Practice Article)
- London, Jennifer A.:** see Iguchi
- Lopez, Rajni:** see Asch
- Luck, Jeffrey:** see Kominski
- Luther, Rhonda:** see Wilson
- Macaluso, Christine J., Ursula E. Bauer, Larry C. Deeb, John I. Malone, Monika Chaudhari, Janet Silverstein, Margaret Eidson, Ronald B. Goldberg, Bonnie Gaughan-Bailey, Robert G. Brooks, and Arlan L. Rosenbloom:** Type 2 diabetes mellitus among Florida children and adolescents, 1994 through 1998, 373-9 (Research Article)
- Malone, John I.:** see Macaluso
- Mangurian, Christina:** see Montini
- Marconi, Katherine M.:** see McKinney (two listings)
- Marin, Barbara VanOss and Rafael M. Diaz:** Collaborative HIV Prevention Research in Minority Communities Program: a model for developing investigators of color, 218-30 (Practice Article)
- Markowitz, Gerald:** see Rosner
- Marks, Ellen L.:** see Sinclair
- Marx, John:** see Keane
- Maxfield, Andrew:** see Sinclair
- Mayer, Brian, Phil Brown, and Meadow Linder:** Moving further upstream: from toxics reduction to the precautionary principle, 574-86 (Practice Article)
- McCally, Michael:** see Thornton
- McKenna, Verna B., Alan Sager, Julia E. Gunn, Pat Tormey, and M. Anita Barry:** Immunization registries: costs and savings, 386-92 (Research Article)
- McKinney, Martha M. and Katherine M. Marconi:** Delivering HIV services to vulnerable populations: a review of CARE Act-funded research, 99-113 (Practice Article)
- McKinney, Martha M., Katherine M. Marconi, Paul D. Cleary, Jennifer Kates, Steven R. Young, and Joseph F. O'Neill:** Delivering HIV services to vulnerable populations: an evaluation and research agenda, 114-22 (Practice Article)
- Messina, Catherine R.:** see Shih
- Mills, Arnold R.:** see Jones (two listings)
- Mills, Wendy A.:** see Lifson
- Mitra, Amal K.:** see Khoury
- Mohle-Boetani, Janet C.:** see Feldman
- Moien, Mary and Irma Arispe:** NCHS Dateline, 303-8
- Mokuau, Noreen:** Culturally based interventions for substance use and child abuse among Native Hawaiians, Suppl 1:S82-7
- Montgomery, Susanne:** see Holzhauser
- Montini, Theresa, Christina Mangurian, and Lisa A. Bero:** Assessing the evidence submitted in the development of a workplace smoking regulation: the case of Maryland, 291-8 (Research Article)
- Moore, Kelly R.:** see Gohdes; Harwell
- Morin, Stephen F., Sohini Sengupta, Myrna Cozen, T. Anne Richards, Michael D. Shriver, Herminia Palacio, and James G. Kahn:** Responding to racial and ethnic disparities in use of HIV drugs: analysis of state policies, 263-72 (Research Article)
- Morin, Stephen F.:** see Kahn; Palacio; Richards
- Moure-Eraso, Rafael:** Primary prevention and precaution in hazard identification in the NIEHS/NTP: body in the morgue approach, 564-73 (Practice Article)
- Munsiff, Sonal S.:** see Driver
- Nemoto, Tooru, Don Operario, and Toho Soma:** Risk behaviors of Filipino methamphetamine users in San Francisco: implications for prevention and treatment of drug use and HIV, Suppl 1:S30-8
- Neutra, Raymond Richard and Vincent Delpizzo:** Transparent democratic foresight strategies in the California EMF Program, 553-63 (Practice Article)
- O'Fallon, Ann:** see Lifson
- O'Malley, Patrick M.:** see Wallace
- O'Neill, Joseph F.:** see McKinney
- Oetting, E. R.:** see Beauvais
- Olsen, Alfred:** see Feldman
- Operario, Don:** see Nemoto
- Orend, Richard J.:** see Hahn
- Orton, Stephen, Karl Umble, Mary V. Davis, and Janet E. Porter:** Disasters and bioterrorism: does management training develop readiness? 596-8
- Ozonoff, David:** Anthrax: the precautionary principle goes postal, 513-20 (Viewpoint)
- Palacio, Herminia, James G. Kahn, T. Anne Richards, and Stephen F. Morin:** Effect of race and/or ethnicity in use of antiretrovirals and prophylaxis for opportunistic infection: a review of the literature, 233-51 (Research Article)
- Palacio, Herminia:** see Kahn; Morin; Richards
- Parrish, Roy Gibson:** see Hahn
- Pearcy, Jeffrey N. and Kenneth G. Keppel:** A summary measure of health disparity, 273-80 (Research Article)
- Pearcy, Jeffrey:** see Carter-Pokras
- Peper, Erik:** see Burke
- Perlman, Steven P.:** see Waldman
- Perry, April L.:** see Evenson
- Persily, Nancy Alfred:** see Riegelman
- Pirie, Phyllis L.:** see Johnson
- Pistella, Christine L.:** see Dato
- Porter, Janet E.:** see Orton
- Potter, Margaret A.:** see Dato
- Price, Rumi Kato, Nathan K. Risk, Mamie Mee Wong, and Renee Storm Klingbe:** Substance use and abuse by Asian Americans and Pacific Islanders: preliminary results from four national epidemiologic studies, Suppl 1:S39-50
- Quinley, John:** see Shih
- Rampton, Sheldon and John Stauber:** Research funding, conflicts of interest, and the "meta-methodology" of public relations, 331-9 (Viewpoint)
- Reardon, Sean F. and Stephen L. Buka:** Differences in onset and persistence of substance abuse and dependence among whites, blacks, and Hispanics, Suppl 1:S51-9
- Rhew, David C.:** see Asch
- Rhodes, Julia C., Wanda D. Barfield, Melvin A. Kohn, Katrina Hedberg, and Kenneth C. Schoendorf:** Releasing pre-adoption birth records: a survey of Oregon adoptees, 463-71 (Research Article)
- Rhodes, Julia C.:** see Barfield
- Ricci, Edmund:** see Keane
- Richards, T. Anne, Karen Vernon, Herminia Palacio, James G. Kahn, and Stephen F. Morin:** The HIV care continuum in publicly funded clinics, 231-2 (Commentary)
- Richards, T. Anne:** see Morin; Palacio
- Richwald, Gary A.:** see Asch
- Riegelman, Richard K., Joel B. Teitelbaum, and Nancy Alfred Persily:** Public health degrees—not just for graduate students, 485-8
- Riehm, Kara:** see Iguchi
- Rinsky, Robert A.:** A message from the editor, 1 (Editorial)
- Rinsky, Robert A.:** A message from the editor, 491-2 (Editorial)

- Risk, Nathan K.:** see Price
Rose, Deborah: see Schenker
Rosenbloom, Arlan L.: see Macaluso

Vernon, Karen: see Richards
Vlahov, David: see Sandro
Waldman, H. Barry and Steven P. Perlman: Why is providing dental care to people with mental retardation and other developmental disabilities such a low priority? 435-9 (Viewpoint)
Walker, Polly: see DeFrancesco
Wallace, John M., Jr., Jerald G. Bachman, Patrick M. O'Malley, Lloyd D. Johnston, John E. Schulenberg, and Shauna M. Cooper: Tobacco, alcohol, and illicit drug use: racial and ethnic differences among U.S. high school seniors, 1976-2000, Suppl 1:S67-75
Walters, Karina L., Jane M. Simoni, and Teresa Evans-Campbell: Substance use among American Indians and Alaska Natives: incorporating culture in an "indigenist" stress-coping paradigm, Suppl 1:S104-17
Ward, Judy: see Feldman
Welch, Verna L. Lamar: see Evenson
Werner, S. Benson: see Feldman
Wetterhall, Scott F.: see Hahn
Wilson, Thad and Rhonda Luther: Impact on health departments after a seventh grade hepatitis B immunization requirement, 78-83 (Research Article)
Wilson, Tracey E.: see Ethier
Wong, Mammie Mee: see Price
Wright, Sara: Review of Kroll-Smith, Brown, and Gunter, eds., *Illness and the Environment: A Reader in Contested Medicine*, 587-9 (Book Review)
Young, Steven R.: see McKinney
Zhang, Xiulan: see Kahn

Subject Index

Volume 117 (2002)

ACCESS TO CARE

- See also HEALTH DISPARITIES
 Oral health report card, 84 (News and Notes)
 Delivering HIV services to vulnerable populations: a review of CARE Act-funded research, 99-113 (Practice Article)
 Delivering HIV services to vulnerable populations: an evaluation and research agenda, 114-22 (Practice Article)
 Public health and disability: emerging opportunities, 131-6 (Practice Article)
 The quality of health care for adults with developmental disabilities, 174-84 (Research Article)
 The HIV care continuum in publicly funded clinics, 231-2 (Commentary)
 Effect of race and/or ethnicity in use of antiretrovirals and prophylaxis for opportunistic infection: a review of the literature, 233-51 (Research Article)
 Access to and use of HIV antiretroviral therapy: variation by race/ethnicity in two public insurance programs in the U.S., 252-62 (Research Article)
 IOM study: uninsured don't get needed health care, 299-300 (News and Notes)
 Why is providing dental care to people with mental retardation and other developmental disabilities such a low priority? 435-9 (Viewpoint)
 IOM: lack of health insurance puts families at risk, 480 (News and Notes)
 Initiative to increase physician awareness of racial/ethnic disparities in cardiac care, 481 (News and Notes)
 Elements of well-being affected by criminalizing the drug user, Suppl 1:S146-50

ADOLESCENTS

- See also CHILDREN
 NCI releases report on youth tobacco use, 193 (News and Notes)
 Cumulative trauma disorder risk for children using computer products: results of a pilot investigation with a student convenience sample, 350-7 (Research Article)
 Type 2 diabetes mellitus among Florida children and adolescents, 1994 through 1998, 373-9 (Research Article)
 Psychiatric disorders among detained youth, 593 (News and Notes)
 Variances in the etiology of drug use among ethnic groups of adolescents, Suppl 1:S8-14
 Early and mid-adolescence risk factors for later substance abuse by African Americans and European Americans, Suppl 1:S15-29
 Differences in onset and persistence of substance abuse and dependence among whites, blacks, and Hispanics, Suppl 1:S51-9
 Tobacco, alcohol, and illicit drug use: racial and ethnic differences among U.S. high school seniors, 1976-2000, Suppl 1:S67-75
 Relational theory and cultural enhancement interventions for African American adolescent girls, Suppl 1:S76-81

ADOPTION

- Releasing pre-adoption birth records: a survey of Oregon adoptees, 463-71 (Research Article)

- Releasing pre-adoption birth records: the impact of Oregon's experience on its vital records department, 472-8 (Research Article)

AFRICAN AMERICANS

- See also RACE/ETHNICITY
 Early and mid-adolescence risk factors for later substance abuse by African Americans and European Americans, Suppl 1:S15-29
 Differences in onset and persistence of substance abuse and dependence among whites, blacks, and Hispanics, Suppl 1:S51-9
 Relational theory and cultural enhancement interventions for African American adolescent girls, Suppl 1:S76-81
 The Health Intervention Project: HIV risk reduction among African American women drug users, Suppl 1:S88-95

AGRICULTURE

- Research and dissemination needs for ergonomics in agriculture, 440-5 (Practice Article)

AGENCY FOR HEALTHCARE RESEARCH AND QUALITY (AHRQ)

- Health insurance premiums rose more than 30% from 1996 to 2000, 480-1 (News and Notes)

AGENT ORANGE

- Developing scientific and policy methods that support precautionary action in the face of uncertainty—the Institute of Medicine Committee on Agent Orange, 534-45 (Practice Article)

AIDS: see HIV/AIDS

AIDS DRUG ASSISTANCE PROGRAM (ADAP)

- Access to and use of HIV antiretroviral therapy: variation by race/ethnicity in two public insurance programs in the U.S., 252-62 (Research Article)
 Responding to racial and ethnic disparities in use of HIV drugs: analysis of state policies, 263-72 (Research Article)

ALASKA NATIVES: see NATIVE AMERICANS

ALCOHOL ABUSE

- See also SUBSTANCE ABUSE
 Tobacco, alcohol, and illicit drug use: racial and ethnic differences among U.S. high school seniors, 1976-2000, Suppl 1:S67-75

ALTERNATIVE MEDICINE: see COMPLEMENTARY AND ALTERNATIVE MEDICINE

AMERICAN CANCER SOCIETY

- Smoking cessation aids use increases, success rate declines, 409 (News and Notes)

AMERICAN INDIANS: see NATIVE AMERICANS

AMERICAN PUBLIC HEALTH ASSOCIATION (APHA)

- APHA adopts code of ethics for public health profession, 299 (News and Notes)
 Food safety: suggestions for improvement, 408 (News and Notes)

ANTHRAX

- Anthrax: the precautionary principle goes postal, 513-20 (Viewpoint)

ASIAN/PACIFIC ISLANDER AMERICANS

- Risk behaviors of Filipino methamphetamine users in San Francisco: implications for prevention and treatment of drug use and HIV, Suppl 1:S30-8
 Substance use and abuse by Asian Americans and Pacific Islanders: preliminary results from four national epidemiologic studies, Suppl 1:S39-50

ASSOCIATION OF SCHOOLS OF PUBLIC HEALTH (ASPH)

- A reflection on the realities affecting graduate schools of public health and implications for educating public health professionals in the 21st century, 88-93
 Integrating academia with community-based health practices: the San Bernardino County Community-Based Pediatric Vision Outreach System, 197-200
 Community-based environmental risk assessment, 309-12
 The Community Research, Education, and Practice Consortium: building institutional capacity for community-based public health, 414-18
 Public health degrees—not just for graduate students, 485-8
 Disasters and bioterrorism: does management training develop readiness? 596-8

BIOTERRORISM

- Anthrax: the precautionary principle goes postal, 513-20 (Viewpoint)
 Disasters and bioterrorism: does management training develop readiness? 596-8

BOOK REVIEWS

- Review of Kroll-Smith, Brown, and Gunter, eds., *Illness and the Environment: A Reader in Contested Medicine*, 587-9 (Book Review)

CANCER

- Cancers attributable to fallout from nuclear testing, 84 (News and Notes)
 Dose dense chemotherapy improves survival in breast cancer patients, 590-1 (News and Notes)
 New additions to the federal report on carcinogens, 591 (News and Notes)

CARDIOVASCULAR DISEASE

- Initiative to increase physician awareness of racial/ethnic disparities in cardiac care, 481 (News and Notes)

CENSUS BUREAU

- Census Bureau profiles foreign-born and first-generation U.S. residents, 85 (News and Notes)
 1930 Census records available to the public, 193 (News and Notes)

CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC)

See also NATIONAL CENTER FOR HEALTH STATISTICS; NATIONAL INSTITUTE FOR OCCUPATIONAL SAFETY AND HEALTH

Investigation of multistate foodborne disease outbreaks, 8-19 (Practice Article)

Assessment of validity of the National Public Health Performance Standards: the local public health performance assessment instrument, 28-36 (Practice Article)

Cancers attributable to fallout from nuclear testing, 84 (News and Notes)

The AIDS Clinical Trials Information Service (ACTIS): a decade of providing clinical trials information, 123-30 (Practice Article)

CDC releases updated statistics on the prevalence of chronic disease in the U.S., 192 (News and Notes)

APHA adopts code of ethics for public health profession, 299 (News and Notes)

UNICEF and CDC report on Afghanistan women's health, 592 (News and Notes)

CHILDREN

See also ADOLESCENTS

Impact on health departments after a seventh grade hepatitis B immunization requirement, 78-83 (Research Article)

Integrating academia with community-based health practices: the San Bernardino County Community-Based Pediatric Vision Outreach System, 197-200

Website offers data on child well-being, 299 (News and Notes)

2002 kids count data book, 299 (News and Notes)

UN/WHO report cites effect of pollution on children's health, 301-2 (News and Notes)

Cumulative trauma disorder risk for children using computer products: results of a pilot investigation with a student convenience sample, 350-7 (Research Article)

Targeting tuberculosis testing: the yield of source case investigations for young children with reactive tuberculin skin tests, 366-72 (Research Article)

Effect of race and/or ethnicity in use of antiretrovirals and prophylaxis for opportunistic infection: a review of the literature, 233-51 (Research Article)

Access to and use of HIV antiretroviral therapy: variation by race/ethnicity in two public insurance programs in the U.S., 252-62 (Research Article)

Responding to racial and ethnic disparities in use of HIV drugs: analysis of state policies, 263-72 (Research Article)

A summary measure of health disparity, 273-80 (Research Article)

The racial genetics paradox in biomedical research and public health, 421-5 (Viewpoint)

Initiative to increase physician awareness of racial/ethnic disparities in cardiac care, 481 (News and Notes)

Preface (to supplement on drug use, HIV/AIDS, and health outcomes among racial and ethnic populations), Suppl 1:S1-2

Introduction (to supplement on drug use, HIV/AIDS, and health outcomes among racial and ethnic populations), Suppl 1:S3-7

Variances in the etiology of drug use among ethnic groups of adolescents, Suppl 1:S8-14

Early and mid-adolescence risk factors for later substance abuse by African Americans and European Americans, Suppl 1:S15-29

Risk behaviors of Filipino methamphetamine users in San Francisco: implications for prevention and treatment of drug use and HIV, Suppl 1:S30-8

Substance use and abuse by Asian Americans and Pacific Islanders: preliminary results from four national epidemiologic studies, Suppl 1:S39-50

Differences in onset and persistence of substance abuse and dependence among whites, blacks, and Hispanics, Suppl 1:S51-9

Tobacco, alcohol, and illicit drug use: racial and ethnic differences among U.S. high school seniors, 1976-2000, Suppl 1:S67-75

Disparities in health status and substance use: ethnicity and socioeconomic factors, Suppl 1:S118-25

Epidemiology of HIV/AIDS, hepatitis B, hepatitis C, and tuberculosis among minority injection drug users, Suppl 1:S126-34

Elements of well-being affected by criminalizing the drug user, Suppl 1:S146-50

Factors influencing HIV/AIDS in women of color, Suppl 1:S151-6

RADIATION EXPOSURE

Cancers attributable to fallout from nuclear testing, 84 (News and Notes)

REFUGEES: see IMMIGRANTS/REFUGEES

REPRODUCTIVE HEALTH

The Perinatal Guidelines Evaluation Project HIV and pregnancy study: overview and cohort description, 137-47 (Research Article)

Abuse history and nonoptimal prenatal weight gain, 148-56 (Research Article)

RESEARCH FUNDING

Research funding, conflicts of interest, and the "meta-methodology" of public relations, 331-9 (Viewpoint)

RESEARCH METHODOLOGY

A summary measure of health disparity, 273-80 (Research Article)

Combining estimates from complementary surveys: a case study using prevalence

estimates from national health surveys of households and nursing homes, 393-407 (Research Article)

RISK APPRAISAL

See also **PRECAUTIONARY PRINCIPLE**

Community-based environmental risk assessment, 309-12

SEXUALLY TRANSMITTED DISEASES

See also **HIV/AIDS**

Comparing quality of care for sexually transmitted diseases in specialized and general clinics, 157-63 (Research Article)

SMOKING

NCI releases report on youth tobacco use, 193 (News and Notes)

Smoking cessation and prevention: an urgent public health priority for American Indians in the Northern Plains, 281-90 (Research Article)

Assessing the evidence submitted in the development of a workplace smoking regulation: the case of Maryland, 291-8 (Research Article)

Smoking cessation aids use increases, success rate declines, 409 (News and Notes)

WHO atlas maps global tobacco epidemic, 479 (News and Notes)

Tobacco, alcohol, and illicit drug use: racial and ethnic differences among U.S. high school seniors, 1976-2000, Suppl 1:S67-75

SOCIOECONOMIC STATUS

See also **HEALTH DISPARITIES**

WHO, UNICEF, UNAIDS, World Bank, UNESCO, and UNFPA report on response to infectious diseases, 84-85 (News and Notes)

A summary measure of health disparity, 273-80 (Research Article)

Social determinants and the health of drug users: socioeconomic status, homelessness, and incarceration, Suppl 1:S135-45

Factors influencing HIV/AIDS in women of color, Suppl 1:S151-6

STATES

Investigation of multistate foodborne disease outbreaks, 8-19 (Practice Article)

Assessing pneumococcal revaccination safety among New York State Medicare beneficiaries, 164-73 (Research Article)

Access to and use of HIV antiretroviral therapy: variation by race/ethnicity in two public insurance programs in the U.S., 252-62 (Research Article)

Responding to racial and ethnic disparities in use of HIV drugs: analysis of state policies, 263-72 (Research Article)

Assessing the evidence submitted in the development of a workplace smoking regulation: the case of Maryland, 291-8 (Research Article)

Releasing pre-adoption birth records: a survey of Oregon adoptees, 463-71 (Research Article)

Releasing pre-adoption birth records: the impact of Oregon's experience on its vital records department, 472-8 (Research Article)

Transparent democratic foresight strategies in the California EMF Program, 553-63 (Practice Article)

Primary prevention and precaution in hazard identification in the NIEHS/NTP: body in the morgue approach, 564-73 (Practice Article)

Moving further upstream: from toxics reduction to the precautionary principle, 574-86 (Practice Article)

SUBSTANCE ABUSE

See also ALCOHOL ABUSE; DRUG ABUSE
Early and mid-adolescence risk factors for later substance abuse by African Americans and European Americans, Suppl 1:S15-29
Substance use and abuse by Asian Americans and Pacific Islanders: preliminary results from four national epidemiologic studies, Suppl 1:S39-50
Differences in onset and persistence of substance abuse and dependence among whites, blacks, and Hispanics, Suppl 1:S51-9
Relational theory and cultural enhancement interventions for African American adolescent girls, Suppl 1:S76-81
Culturally based interventions for substance use and child abuse among Native Hawaiians, Suppl 1:S82-7
Substance use among American Indians and Alaska Natives: incorporating culture in an "indigenist" stress-coping paradigm, Suppl 1:S104-17
Disparities in health status and substance use: ethnicity and socioeconomic factors, Suppl 1:S118-25

SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION (SAMHSA)

Annual household survey finds millions of Americans in denial about drug abuse, 408 (News and Notes)

SURVEILLANCE

Investigation of multistate foodborne disease outbreaks, 8-19 (Practice Article)
CDC releases updated statistics on the prevalence of chronic disease in the U.S., 192 (News and Notes)

SURVEYS

Combining estimates from complementary surveys: a case study using prevalence estimates from national health surveys of households and nursing homes, 393-407 (Research Article)

TOBACCO: see SMOKING

TRAFFIC SAFETY

USDOT releases 2001 highway fatality statistics, 409 (News and Notes)
NHTSA reports increased seat belt use by drivers, passengers, 410 (News and Notes)

TUBERCULOSIS

Prevalence of tuberculosis, hepatitis B virus, and intestinal parasitic infections among refugees to Minnesota, 69-77 (Research Article)
WHO, UNICEF, UNAIDS, World Bank, UNESCO, and UNFPA report on response to infectious diseases, 84-85 (News and Notes)
Targeting tuberculosis testing: the yield of source case investigations for young children with reactive tuberculin skin tests, 366-72 (Research Article)
Epidemiology of HIV/AIDS, hepatitis B, hepatitis C, and tuberculosis among minority injection drug users, Suppl 1:S126-34

VACCINATION

Impact on health departments after a seventh grade hepatitis B immunization requirement, 78-83 (Research Article)
Assessing pneumococcal revaccination safety among New York State Medicare beneficiaries, 164-73 (Research Article)
Immunization registries: costs and savings, 386-92 (Research Article)
Anthrax: the precautionary principle goes postal, 513-20 (Viewpoint)
New combination vaccine approved, 590 (News and Notes)

VIOLENCE

See also DOMESTIC VIOLENCE
WHO report on violence and health, 479-80 (News and Notes)

VISUAL IMPAIRMENT

Integrating academia with community-based health practices: the San Bernardino County Community-Based Pediatric Vision Outreach System, 197-200

WATERBORNE ILLNESSES

A cluster of *Escherichia coli* O157: nonmotile infections associated with recreational

exposure to lake water, 380-5 (Research Article)

WEB RESOURCES

Report on women's health, 299 (News and Notes)
Website offers data on child well-being, 299 (News and Notes)
Toxic chemicals website, 482 (News and Notes)

WOMEN'S HEALTH

See also REPRODUCTIVE HEALTH
The Perinatal Guidelines Evaluation Project
HIV and pregnancy study: overview and cohort description, 137-47 (Research Article)
Abuse history and nonoptimal prenatal weight gain, 148-56 (Research Article)
Report on women's health, 299 (News and Notes)
Improving breastfeeding knowledge, attitudes, and practices of WIC clinic staff, 453-62 (Research Article)
Dose dense chemotherapy improves survival in breast cancer patients, 590-1 (News and Notes)
UNICEF and CDC report on Afghanistan women's health, 592 (News and Notes)
The Health Intervention Project: HIV risk reduction among African American women drug users, Suppl 1:S88-95
Factors influencing HIV/AIDS in women of color, Suppl 1:S151-6

WORLD HEALTH ORGANIZATION

Journal access for developing countries, 84 (News and Notes)
WHO, UNICEF, UNAIDS, World Bank, UNESCO, and UNFPA report on response to infectious diseases, 84-85 (News and Notes)
WHO global strategy on traditional and alternative medicine, 300-1 (News and Notes)
UN/WHO report cites effect of pollution on children's health, 301-2 (News and Notes)
WHO atlas maps global tobacco epidemic, 479 (News and Notes)
WHO report on violence and health, 479-80 (News and Notes)
